

Sustainability: Fact or Fiction — Challenges of SDGs

Speaker : H.E.Dr. Rashid Alleem

Chairman, Sharjah Electricity & Water Authority, United Arab Emirates

Dr Rashid Alleem is Chairman, Sharjah Electricity & Water Authority (SEWA), United Arab Emirate. He holds a PhD from University of Salford, Manchester, UK, and multiple honorary doctorates from Somalia University for Humanitarian Services and American University in the United States. Under his leadership, SEWA received the Voluntary Cancellation Certificate for excellence in energy-saving and the reduction of CO2 emissions by the United Nations Framework Convention on Climate Change (UNFCCC) in 2017.

H. E. Dr. Rashid Alleem

Commentator : Prof. Mikiko Sugiura

Associate Professor at Center for Global Education and Discovery,
Sophia University

Her research interests are in identifying an institutional framework for sustainable water resources management especially focusing on river water use. "Water right systems" is the major topic, and the associated issues such as drought management, environmental water rights, biodiversity conservation have been also keenly addressed.

Dr. Mikiko Sugiura

Moderator/Commentator :

Dr. Daisaku Higashi

Professor, Deputy Director for Center for Global Cooperation
and Training at Sophia University

He is specialized in peacebuilding and mediation. He used to work for UN Assistance Mission in Afghanistan as a team leader for reconciliation; he also worked for Japan mission to the UN as Minister-Counsellor in charge of peacebuilding and mediation. His publication includes "Challenges of Constructing Legitimacy in Peacebuilding: Afghanistan, Iraq, Sierra Leones, and East Timor" (Routledge 2016).

Dr. Daisaku Higashi
