Challenges for Global Health Governance under the Pandemic

Sophia University will host the special symposium with the keynote speech by Ms. Maria Espinosa, President of the 73rd Session of the UN General Assembly, on "Challenges of Global Health Governance under the Pandemic".
Ms. Espinosa served the UN General Assembly as the President from 2018 to 2019. Together with leading experts and students from all over the world, we will discuss how the global pandemic can be solved globally.

Ms. María Espinosa
